About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency’s jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC’s work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC’s Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired. Consumers can obtain news release and recall information at www.cpsc.gov, on Twitter [@USCPSC](https://twitter.com/USCPSC) or by subscribing to CPSC’s [free e-mail newsletters](#).

SAFETY RECALL - IMMEDIATE ACTION REQUIRED

Jofran Sales, Inc. is voluntarily replacing the 757-78B (base) on the, Boulder Ridge 78" Rectangular Cement Dining Top (757-78T) and base (757-78B). We have discovered the tops are prone to handling damage including cracking and chipping. Please discontinue sales and hold all inventories of both 757-78T and 757-78B until the corrective action steps outlined below have been completed.

We are replacing all 757-78B, Boulder Ridge 78" Rectangular Cement Dining Base with an updated base which includes additional stretchers to support the 757-78T (top) in the event the 757-78T has incurred handling damage.

- For 757-78T/B held in inventory – Jofran will ship replacement 757-78Bs sold with the 757-78T. The replacement bases are redesigned and have been load tested to ensure full support of the 757-78T.
- For 757-78T/B in customer homes – Jofran will ship newly designed and tested 757-78B bases to your warehouse for customer replacement.

We apologize for any inconvenience this will cause. We are committed to providing our dealers with product of excellent quality and value. Please respond as soon as possible using the following email address or toll free phone number:
